Every two years, the parliamentary left of the regime unites to win parliament seats, but refuses to coordinate the struggles and unite the workers' ranks. Fight alongside us! We are fighting to **overthrow the union bureaucracy and its social pact with the Fernandezes, the oligarchy and the IMF**, which today are the continuation of Macri's anti-worker attacks, sinking wages, making the jobs of millions of workers more flexible and sinking the unemployed in misery and despair.

ARGENTINA WILL BE A SOCIALIST COUNTRY OR A WALL STREET COLONY!

FOR A NEW REVOLUTIONARY, INTERNATIONALIST AND SOCIALIST LEADERSHIP OF THE WORKING CLASS AND THE REBELLIOUS YOUTH!

Contribute and come with the LOI-CI / Workers' Democracy to fight for the re-founding of the **Fourth International**.

From Chile to Colombia to Peru to Ecuador, from the struggles of workers and peasants in Bolivia and together with the uprising of the American working class, the masses stand up to fight against the imperialist plunder and its hated capitalist regimes of exploitation.

COME TO FIGHT TOGETHER WITH THE TROTSKYISTS OF THE COLLECTIVE FOR THE RE-FOUNDATION OF THE FOURTH INTERNATIONAL / FLTI IN THE FIRST LINE OF STRUGGLE OF THE WORKING CLASS IN LATIN AMERICA

THE REFORMIST LEADERSHIPS CLOSE THE WAY TO THE VICTORY OF THE EXPLOITED AND THEIR REVOLUTIONS

A single party of Stalinists and renegades of Trotskyism, together with the union bureaucracies, subjugate the working class to the native bourgeoisies and sell out their battles to the “siren songs” of parliamentary deceptions and “constituent” detours and traps. They led the American working class to the feet of Zion-

ist Sanders, and to Biden, the new Wall Street representative.

In the name of “21st century socialism”, the “Boliburgeosies” lined their pockets, strangled the revolutionary processes as in Venezuela, and with the Castro brothers handed Cuba over to imperialism.

THE BETRAYALS ARE PAID BY THE MASSES BY ENDURING COUNTERREVOLUTIONARY COUPS, FASCISM AND HUNGER,

as yesterday in Bolivia and today in Colombia, and in Haiti torn apart and occupied by the UN
