

# The revolutionary Marxists of the Pacific fight against the G20 bandit cave

**Statement of the Japanese Revolutionary Communist League – Revolutionary Marxist Faction (JRCL-RMF)**

**Long live the militant internationalism!**

**安倍政権打倒！**

Down with the Abe government!

**日米軍事同盟強化反対！**

Oppose the US-Japan military alliance!

**米-中露核軍拡反対！**

**パレスチナ・シリア人民虐殺弾劾**

Denounce the massacres of Syrian and Palestinian people!

**全世界人民は団結し、  
戦争・貧困・圧政を強制する  
権力者どもをうちたおせ！**

The working people of the world, unite to topple down the rulers who impose war, poverty and oppressive rule!

The Marxists of JRCL-RMF together with the workers vanguard of Japan fighting against the US military base in Okinawa

2012 - Zengakuren youth demonstration to the Chilean embassy in Japan: "We fight in solidarity with the Chilean youth fight against the repression by the government"

# **The revolutionary Marxists of the Pacific fight against the G20 bandit cave**

**Statement of the Japanese Revolutionary Communist  
League – Revolutionary Marxist Faction (JRCL-RMF)**

**Open the road for the international unity of the working class!**

November 27<sup>th</sup>, 2018

**AGAINST THE G-20 BUENOS AIRES SUMMIT, THE JRCL  
CALLS ON WORKERS AND PEOPLE ALL OVER THE WORLD  
LET US UNITE TO TOPPLE DOWN THE RULERS  
WHO IMPOSE WAR, POVERTY AND  
AUTHORITARIAN RULE!**

**Now is the time for workers and people to rise up in antiwar struggle across borders amid the crisis of a war arising from the US-China confrontation! No to the nuclear arms race between the US and China/Russia!**

Denounce the massacre of Palestinians by the Netanyahu-led Israeli government aided by Trump-led US imperialists!

Denounce the slaughters of Syrian people by the Putin-led Russian government and the al-Assad regime!

Condemn the Saudi Arabian rulers for the attacks against Yemeni people!

No to the US and Japanese governments stepping up combat readiness against China and North Korea!

**Denounce the rulers for sacrificing the toiling masses to their greedy survival in the economic crisis!**

Don't allow welfare and pension cuts! No to the cuts in the medical budget! Stop wage cuts and dismissals! No to the deterioration of working conditions!

Now is the time to overcome the degenerate leaderships of the labour movement submissive to the government

and capitalists and to build up a counter-offensive of the workers!

Shatter the rampancy of the neo-Nazi forces against immigrant workers!

**We the Japanese revolutionary Marxists will fight to overthrow the Shinzo Abe-led government preparing a neo-fascist revision of the Constitution.**

**People of Argentina, Brazil and all South American countries!**

**People all over the world!  
Let us rise up in unity!**
